

Alliances — All Alliances Meet Monthly

As a Network member, you may join as many Alliances as your schedule permits. In Exclusive Alliances, your industry's seat must be open for you to join. Some of our Alliances welcome everyone as members (inclusive*), others only allow one member per industry (exclusive**). Alliance participation helps build trust with others in your industry, increasing business. It expands your industry knowledge and allows access to focused training sessions and workshops as well as co-operative marketing to your targeted potential customer base.
